

April 28, 2022

Dear ACRC Members and Friends,

We are looking forward to your attendance at the ACRC 2022 Spring Meeting on June 2-3 on the University of California, Irvine campus. Following are some items to consider in making your travel plans.

- Attachments: Agenda, nearby hotel list, campus map
- For those who have not visited the area, please note that John Wayne Airport (code: SNA) is 4 miles to campus. The well-known LAX airport is also available with an additional 30-45 minute drive.
- If you plan to drive and park yourself, please email Don at dfruta@uci.edu so we can prepay the parking fee for you. Indicate which day or days you will need parking. Parking map attached.
- If you are using a ride service to be dropped off at campus, use address 651 E. Peltason Dr., Irvine, CA 92617 to the parking garage and follow the attached map for a short walk to the meeting location.

Next week we will send out the registration link and any added updates to the meeting.

Best regards,

Don Fruta
